The DeKalb Small Business Micro-Enterprise Programs (DSBMEP) are funded using The Department of Housing and Urban Development (HUD) proceeds. The expressed purpose of these programs is to support HUD's third overarching goal - To expand economic opportunities which principally benefits low-to-moderate income persons.

The DeKalb County Community Development Department is committed to helping existing small business enterprises succeed. If you are an existing business owner in DeKalb County **OR** your business is located outside of the county but you live in DeKalb County **AND** the business has been operating for more than two years, our small business GROWTH ACCELERATOR program is a great program for you.

Growing a business from a start-up into a thriving and profitable small business requires business management skills, planning, strategy, access to capital, contracts/sales and passion. We can help you with the first five but the last one is up to **you**.

Our Growth Accelerator program provides a combination of engaging, interactive sessions with individual coaching to transform you into a stronger and more efficient CEO.
